

Loughton Residents Association Plans Group

LuXe, High Road, Loughton

On May 3rd, following an incident outside LuXe, Essex Police asked Epping Forest District Council for an urgent review of LuXe's licence.

At an initial hearing, the Council suspended LuXe's licence, pending a full hearing this month (we don't yet know the date of the full hearing but when we do we'll publicise it on our website and elsewhere).

For the Council to take action at the full hearing, they will need evidence from individual residents about the problems caused by LuXe.

If you have views on LuXe's licence, you should give them to the Council by May 17th – please email licensing@eppingforestdc.gov.uk or write to the Licensing Office, Epping Forest District Council, Civic Offices, High Street, Epping, CM16 4BZ. Please also let us know your views, by email or by post.

You should clearly state the grounds upon which your representation is made, which must relate to one or more of the four licensing objectives:

- the prevention of crime & disorder
- the prevention of public nuisance
- public safety
- the protection of children from harm.

The LRA Plans Group believes that late-evening alcohol and refreshment licences are simply not appropriate in residential areas like the High Road.

The LRA Plans Group look at all planning and licensing applications in Loughton, and where appropriate we consult residents and/or object to - or support - particular applications.
